The  
Happy  
Egg

There was a little little bird.

It was just born.  
It still was an egg.

It couldn't walk.

It couldn't sing.

It couldn't fly.

It could just get sat on.

So it got sat on  
and sat on

and sat on  
and sat on

and sat on

and sat on

and sat on

and sat on.

And one day,

POP! Out it came.

It could walk.

It could sing.

It could

fly.

It could someday sit on  
other happy eggs.
